If you want, you can write manually using this icon ✎.

or you can type using the On-Screen Keyboard.

د أَكْمِلِ النَّاقِصَ

| ا | بـ | ت | ___ | ___ |

ذ اِنْسَخِ الْحُرُوفَ
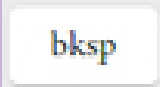

NOTE-1: When the Pen feature is activated the other interactive features are disabled.

NOTE-2: Answers written with the Pen will not be specified as true or false.
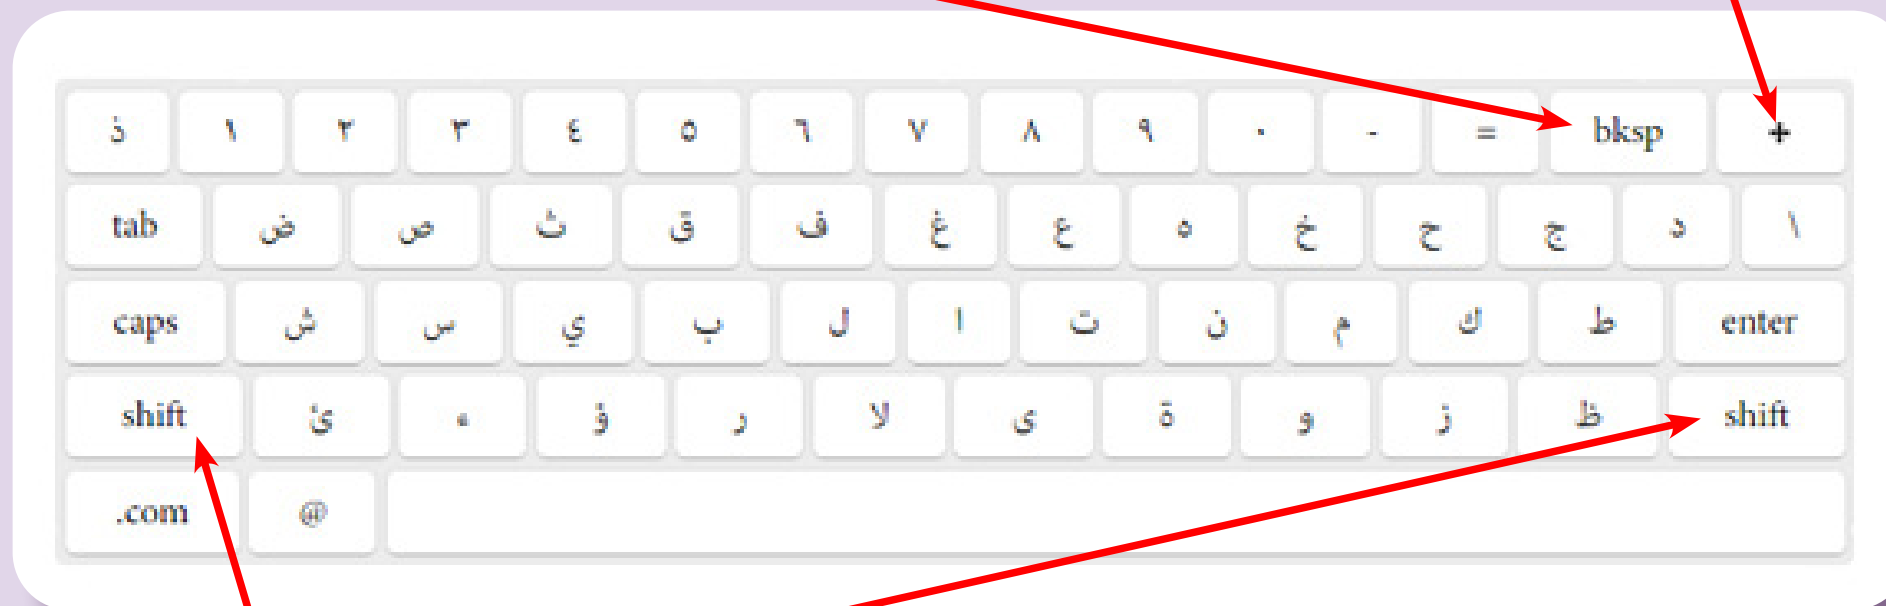

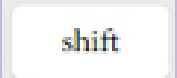

On-Screen Keyboard Features

The On-Screen Keyboard is the only way to the written exercises.

Use the key `bksp` **to delete something you wrote.**

You can move the keyboard anywhere by holding it by this icon `+` .

(It will stay where you set during the session.)

Use the button `shift` **to show diacritical marks and other letters that are not on the On-Screen Keyboard.**

- **You must write your answers with diacritical marks.**
- **Type the letter first, then its diacritical mark.**

Click ✓ to see the correct answers in the exercise.

Zoom Icon 🔍
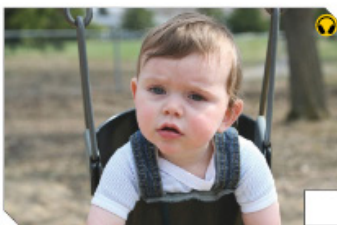

Use it to expand the exercise.
